No. 32. Endorsement of the Additional Secretary to Government, Revenue Department, dated 17th April 1877.

From L. C. PROBYN, Esq., Accountant-General, Madras, to the Additional Secretary to Government, Famine Department, dated Fort St. George, 17th April 1877.

I HAVE the honor to request you will be so good as to move His Grace in Council to pass the necessary orders for the works on the Bellary-Hubli Railway being paid for entirely out of funds to be placed at the disposal of Major Jopp, R.E., by credit orders in the usual form upon the application of the Examiner of Public Works Accounts.

2. It has been ascertained that all ordinary laborers are being paid by Civil Officers, and this though they are receiving not the relief tariff of wage but the full rate prevalent in the district and are working under Public Works Officers.

3. There is no advantage whatever in this arrangement, while on the other hand it would be much more convenient if the laborers were paid through the Public Works Department, leaving the question of the ultimate adjustment of the charge to be settled by the Government of India.

REFERRED to the Examiner of Public Works Accounts for an expression of opinion whether Major Jopp, R.E., is to be regarded as the disbursing officer in connection with the Bellary-Hubli Railway Works.
