PROCEEDINGS OF THE BOARD OF REVENUE, dated 8th May 1877.

COLLECTORS of distressed districts are requested to mark* in their next relief reports all works being executed by the Public Works Department on which outlay is incurred during the week. This is now done in a few districts only, but the information from all is wanted to enable the Board to compile a statement showing the extent to which the services of the department are being availed of. It is to be understood that works under the control of special officers of the Public Works Department are to be marked as well as those under the ordinary staff of the district.

* By entry of "Public Works Department" in red ink in the margin.
