Establishment Charges.—P. W. D.

Read the following paper:—

No. 68. From L. C. PROBYN, Esq., Accountant-General, to the Officiating Chief Secretary to Government, dated Fort St. George, 14th April 1877, No. 63.

Audit Department.

With reference to G.O., No. 1234, dated 11th April 1877, Financial, I have the honor to state that it does not appear that this office has to audit the salary bills of the clerks whose entertainment was sanctioned in the above, and that its communication to this department was therefore unnecessary.

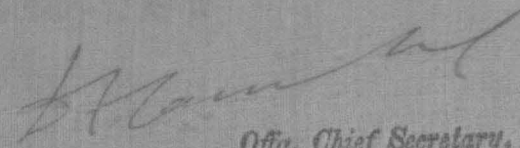

No. 69. ORDER THEREON, 8th May 1877, No. 1440.

The Governor in Council observes that although the Accountant-General's office has not to audit the salary bills of the clerks whose employment was authorized in Public Works G.O., dated 23rd March 1877, No. 1012, the Accountant-General, as the Chief Officer of Account and Audit in the Presidency, ought to be cognizant of all sanctions given by Government on account of Establishments in excess of the authorized scale.

2. The probability is that the charge, in the present case, will, in the first instance, be debited to Provincial Services. If so, the Accountant-General should be aware of the order to enable him to advise Government, now, or eventually, whether all, or any portion of, the charge should be borne by those services.

3. It seems, however, desirable that when sanction is granted in future in any department of the Civil Secretariat on account of Establishment, that the head to which the charge is to be debited should invariably be stated for information of the Account Department.
