No 2 (bata)

From The Acting Collector of
Harwood

To The Acting Secretary to the
Board of Revenue
Madras.

Sir. With reference to G.O. dated the
9th instant No 574 I have the honor
to submit the following information
1. On receipt of the direct order
of Government desiring me to
suspend the Markapur Tahsildar
and to reduce Deputy Collector
Varkatachellam Pillay for
proved

proved incompetence and inefficiency. I passed an order suspending the Tahsildar and telegraphed ^{to the Govt. in this Dept. file - enclosed in the Public Dept.} to Government that the Deputy Collector had provided himself with a sick certificate.

3. I then waited for five days and as no counter instructions came, I reduced the Deputy Collector and desired him to assume charge of the Markapur Ag. Tahsildarship.

4. Instead of obeying this order he most contumaciously, as I respectfully submit, proceeded to Husnool where he presented himself before me, and produced his Querees' Medical certificate.

5. I desired him to obey his orders in the first instance and he departed with the ostensible object of taking charge of the Markapur Tahsildarship.

6. He proceeded leisurely as far as Cumlum where he waited on Mr. Farmer and informed him that he had received a private note intimating that his suspension had been removed and he asked Mr. Farmer if he had received notice to that effect.

7. During the course of the interview Mr. Farmer's appeal arrived and it contained copy of the Government order removing the Deputy Collector's suspension.

- Chellam Pillay then returned to Nandial, where he came to see me and he asked me what he was to do.

9. I told him I had nothing more to do with him and that he might go wherever he liked. so far as I was concerned.

availed himself of the six weeks⁺
leave, which so far as I understood
the Dresser said he might have.

11. I have informed him that
I gave him no leave whatever
as he is well aware.

12. I cannot but view Venkata
-chellam Pillay's conduct as
highly insubordinate. The
Honorable C. Subramanian

Mr. Farmer personally found him shirking important farm work at a time when it behoved every man to put his shoulder to the wheel. He is reported by Mr. Farmer to have kept many important letters lying in his office for

for upwards of a week instead of either disposing of them or passing them on to Mr. Farmer which he could have done by a verbal order to one of his clerks.

13. Venkataschellam Pillay made no effort to obtain a sick certificate from the Civil Surgeon when he visited me at Kurnool and Mr. Farmer has informed me that he failed in his attempt to procure one from Mr. Dr. Pedroza at Cumbum.

14. He was perfectly able to undertake the journey from Cumbum to Kurnool and back a distance of over two hundred miles but he failed to proceed to

to Markapur and distance of only 17 miles.

15. His degradation had an instantaneously beneficial effect on all the indolent native officials in the District.

16. So far as I am aware no leave has been granted to Venkataschellam Pillay and I may respectfully take this opportunity of remarking that if a native Hospital Assistant is to be permitted unchecked to grant sick certificates to influential native officers, we may find ourselves suddenly deprived, in an unprepared state

state of the services of men —
holding responsible situations
at the very crisis, when they
can least be spared.

17. I would venture to suggest
during the continuance of the
Famine, that in every instance
of a native Hospital Assistant
granting a sick certificate, the
patient should be required
to report himself personally
at Head Quarters and then
submit himself for the
inspection of the Civil Surgeon.

18. It was Syed Nizamuddin
Saib, the Cumbum Hospital
Assistant

Assistant a man on receipt of
Rs 60 pay who so opportunely
provided Venkatachellam Pillay
with his certificate.

I have the
Honourable Collector's } Signed / R. Davidson

19th Feb. 1877 }
By Collector

Submitted for the orders of
Government.

The Board respectfully submit
that Venkatachellam Pillay has
shewn himself utterly unfit for
the responsible post of Deputy Collector.
They agree with Mr Davidson in
thinking that some checks such as
that suggested in para 17 ~~are~~ the power
of Medical Subordinates to grant
Medical certificates is necessary.

Sir,
I have the honor to acknowledge
the receipt of your official Memo: No 62 of
instant regarding Dy Collector Kerketa -
Chellam Pillai - and to offer you
the following explanation.

Delay in answering your
Memo: was caused by the Dep. Collector
at my suggestion, removing from Madras
to Sydapet. I believe it was on
Sunday or Monday (18th or 19th Feb)
I first saw professionally the Dep.
Collector - and he produced a Medical
Certificate of 30 Dec. 1876 from
Syed Nizamuddin M.D. Hospital
Apist. in Medical charge Civil
Dispensary, Cumlum. saying the
Deputy Collector was suffering from
Intermittent fever, and recommending

him to remain quiet and to do no work
on the day he expected fever - but being
relieved from his duties, on the 2nd Jan'y
1877 he obtained a 2nd certificate re-
commending entire rest, & change
of climate, "which were essentially
necessary for his recovery", but on
acct. of the great demand for sur-
-visions for the famine work,
he did not submit the certificate till
the 10th Jan'y, and in reply he was
informed he had been reduced by
the Collector - which was afterwards
cancelled by the Govt., and the Collector
was authorized to grant "certificates".
On the 9th or 10th February he
got permission from the Collector to
go away, and he came to Madras.
On the 21st February observing no change
for the better, and that his spleen
was much enlarged I gave him
a certificate for him to remain on
the Coast for 3 months. I have
seen Venkatachallam Pillai this day
and am still of the same opinion.

that he requires further medical treatment,
is not fit for duty, and should remain
on the Coast.

I have told him to come
aboard for medical treatment, and
he has promised to reside in Spain
and place himself under the Med-
ical Officer 3rd District -

I have the honor to be
Sir

Your most obedient

H. Stanbury

Health Officer

P.S. With reference to 2nd para of your
Memo: my opinion is that he must
have been indisposed for several
days previous to his obtaining his
first Certificate dated 30 Dec 1876.
It is impossible to give a specific
date for the commencement of
Intermittent fever, it may set in suddenly
or gradually with a feeling of general
indisposition for some days and then
commence into a regular paroxysm.
Disease or enlargement of the spleen
frequently follows an attack. H.S.
