24th September 1877, No. 2,899.

Famine Relief.

Read the following paper :—

No. 599. Proceedings of the Board of Revenue, dated 14th September 1877.

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Chinnamanur, 8th September 1877, No. 593:—

I HAVE the honor to report that it is very difficult to obtain maistries for employment on relief-works, and I request that the Deputy Superintendent of Revenue Survey may be permitted to comply with any demand that I may make for men as far as he can, without injury to his own work. Mr. Gompertz informs me that carrying on survey work at all becomes more and more difficult every day, and the effort to carry on field-work appears to be kept up only because work must be prepared for the large office under the Deputy Superintendent. My proposal is that it be left to the discretion of Mr. Gompertz to give me any men he can. If this drought continues it will require consideration whether survey work should not be temporarily stopped and Mr. Gompertz with his establishment on relief-work.

Communicated to the Superintendent, Revenue Survey, who is requested to state whether any Surveyors at the Madura District can be spared with a view to the sanction of Government being obtained for their transfer.
