GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

24th September 1877, No. 2,009.

Famine Relief.

Read the following paper :—

No. 601. Proceedings of the Board of Revenue, dated 8th September 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 3rd September 1877, No. 506 :—

I have the honor to request that the Board will be pleased to authorize my paying the actual expenses of such Special Magistrates and Taluq Sheristadars as may be sent out from their head quarters to attend to matters connected with famine relief.

[illegible] and this as much as possible as I think that officers of this class should look [illegible] which they are appointed, but there are cases in which it is necessary that they should be ordered out, and in these, as they have no special allowances from which to meet such charges, the cost of travelling falls upon them and of course causes a considerable loss.

Submitted for the favorable consideration of Government.

(A true Copy and Extract.)

(Signed) C. A. GALTON,
Acting Secretary.

No. 94.

Transferred to the Accountant-General for report whether any allowances can be passed to those officers under the circumstances stated.

(By Order.)

(Signed) J. H. GARSTIN,
13th September 1877. Additional Secretary to Government.

No. 701.

The undersigned has the honor to state that there are no orders of Government allowing travelling batta to Sub-Magistrates and Taluq Sheristadars (apparently because the nature of the duties ordinarily required of these class of servants does not necessitate travelling. They are however allowed to draw mileage at 4 Annas when they are occasionally required to leave their head quarters on special duty, and this rate can be allowed to them when required occasionally to proceed on

famine duty. In case these officers are required to move constantly on such duty the Government may probably deem it preferable to fix a daily or a monthly rate of travelling batta, but the rate that may be sanctioned should be reported to the Government of India for confirmation.

FORT ST. GEORGE,

(Signed) W. DONALD,
Officiating Accountant-General.

No. 602. ORDER THEREON, 24th September 1877, No. 2,900.

Miscellaneous.

THE Accountant-General's report will be communicated to the Collector of Cuddapah with reference to his letter, No. 506, of the 3rd instant, who will report whether the movements of the officers alluded to are likely to be frequent or only occasional.
