GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

24th September 1877, No. 2,905.

Famine Relief.

Read the following paper:—

No. 611. Proceedings of the Board of Revenue, dated 19th September 1877,
No. 4,391.

Read the following letter from H. SEWELL, Esq., Acting Collector of Trichinopoly, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 17th September 1877, No. 328:—

In the Manaparai, part of the Kulitallai taluq, an important tank at Marananur requires repair, and this tank work was also selected for relief-work. Estimates have lately been received; the estimate for the repair of the tank amounts to Rs. 1,950, that for clearing its feeder Rs. 620, and another for the clearing of the prickly-pear on the bund of the tank Rs. 1,034, as the total of all these three estimates amounts to Rs. 3,604, and as they all concern the same tank, I request Board's sanction for the same.

2. Mr. Moore, the Head Assistant Collector, is of opinion that the above works should be put in hand at once to employ the large number of paupers in that part of the district; I have therefore the honor to request that the Board will accord sanction by telegraph. As a Superintendent is required to look after the work and pay the coolies, I request sanction for the entertainment of one Superintendent on Rs. 30. The Government, I am aware, wish, as far as possible, that relief-work should be carried out on the river embankments and I am going with such works. But I should be extremely unwilling to employ all the poor in the Manaparai division to crowd into Trichinopoly, as it would seriously increase the risk of disease. The work that I recommend is an important one, and will, I believe, prove remunerative.

THE estimates should have been submitted for approval; they should be forwarded now. Meanwhile the Collector will be authorised by telegram to put the work in hand at once.

2. The sanction of Government is requested for the entertainment of a Superintendent on Rs. 30 per mensem.
