From the Acting Collector of Sea Customs, dated 20th April 1877, No. 840.

I HAVE the honor to request the sanction of the Board to pay to the Madras Municipality Rupees 375-7-6 for work done by them at the Custom-house in constructing a cistern and laying pipes to it.

2. Owing to the intermittent supply of water in the pipes which are dependent on the Red Hills reservoir, a cistern to hold water permanently for use in connection with the fire engine of the office was absolutely necessary, and the work was ordered to be done by Mr. Hunter-Blair.

3. A copy of the letter of the Municipal Engineer, dated 18th April 1877, No. 91, demanding payment is herewith forwarded for information.

4. The charge may be met from the provision in the Budget for Customs Contingencies.
