Famine Relief.

No. 645. Proceedings of Government, dated 25th September 1877, No. 2,922.

Miscellaneous.

With reference to paragraph 4 of the letter from the Madras Government to the Government of India, published in the *Government of India Gazette* Extraordinary of September 3rd, 1877, His Grace the Governor in Council directs that all correspondence connected with the Famine, which has hitherto been addressed to the Revenue Board, shall be addressed to the Additional Secretary to Government, Revenue (Famine) Department, with the exception of the weekly relief returns and any reports connected with the collection or remission of revenue, which the Collectors of distressed districts will continue to send in, as usual, to the Board, who are requested to continue the compilation of their weekly summary as heretofore.

2. The Chief Engineers in the Department Public Works will also cease to dispose of Famine matters, as Secretaries in direct communication with the Government, and will transfer all papers relating to such matters, with their own notes or memoranda, for the orders of Government, to the Additional Secretary in the Revenue (Famine) Department, in which Department those orders will issue. District Engineers and other local D. P. W. Officers will continue, as heretofore, to correspond with the Chief Engineers.

3. In relieving the Revenue Board of the Famine correspondence, which has, during the past ten months been passing through their hands, His Grace in Council considers it hardly necessary to explain that the only reason for the change is the saving of time likely to be effected thereby, for the manner in which that correspondence has been disposed of by the Board has left nothing to be desired.

4. Copies of all Government Orders in connection with the Famine will be sent to the Board, as soon as possible after issue, for information, and in order that a complete history of the Famine and of the statistics connected therewith may exist in their Office.
