Famine Relief.

Read the following paper:—

No. 679. Proceedings of the Board of Revenue, dated 18th September 1877.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 25th August 1877, No. 4,353.

With reference to the Proceedings of the Board of Revenue, No. 3,678, of the 7th instant, I have the honor to state that in the collection statement for April 1877, instead of the figures "of the month" being repeated in the column "Collections up to the month," the figures obtained by adding the collections of April to the total collections up to March 1877 (*i.e.*, the past official year) have been inadvertently entered.

2. This error was repeated in the statement for May 1877.

In these two statements the columns "Collections up to the month" have correctly been revised as per Board's Proceedings, No. 2,959, of 22nd June 1877. But in filling up the columns "up to the month" with the average collections of the past three years, the error pointed out was continued up to the amount for June last.

3. I herewith beg to enclose a revised statement for June 1877 in lieu of the one already submitted in order that it may be cancelled.
