I HAVE the honor to request that I may be allowed to return to the plan of giving cooked food to the destitute poor at Illupur instead of giving money dole as prescribed by Government in their Order, No. 2,474-F, dated 9th ultimo.

2. There are a large number of poor dependent on Government aid in that place (about 600), many of them in a very destitute condition and without any means of cooking for themselves. I am strongly of opinion, from what I saw myself and from reports lately received from the Tahsildar, that the distribution of cooked food would be of much more service to these poor than the money dole, and would be more economical. I have ordered the worst cases to be sent over to the camp at Manaparai, but there is great reluctance on the part of the people to go so far, the distance being about 15 miles. I do not think it is necessary to open a regular camp at Illupur, as the difficulties of supervision would be very great, but I think that the distribution of cooked food is really essential.
