Sir,

Madras

on account of the road
from Palladam to Tirupoor
and Arumachy a sum of
Rs 11880 was sanctioned
for preparing and storing
material, of which Rs 5500
were spent up to the 21st March
1877. For a similar purpose
for

for the road from Palladam
to Shanapuram Rs 1650 are
sanctioned. - The Sub Collector
in charge of Relief operations
in Palladam being requests
that owing to a difficulty
in procuring extra metal
on the Palladam Tirupoor
road, a sum of Rs 1650 out
of the provision for this road
may be transferred to
the other road from Palladam
to Shanapuram. The Superintending
Engineer concurs in Mr. Macleod's
proposal. Copies of the corres-
-pondence are enclosed,
and in anticipation of
Board's orders I have sanctioned
the

The Collector of Comptroller
Sir

With

2054
With reference to your No 85
of 13th Instant, I have the honor
to state that the transfer of
funds may be made as a
large quantity of material
has already been stored
on the road from Palladam
to Tirupur and more is not
easily obtainable along
that road which is moreover
already in good order.

2. on the road between Palladam
and Sharapuram, which is
a comparatively newly made
road, the Range Officer can
with advantage utilize the
extra material which Mr.
Mac Waters proposes to
prepare

prepaid.

I have to
