Sir,

J. H. Griston Esquire Esq. S.
Additional Secretary to Government
Famine Relief Dept. - Me ad as.

Sir,

I have the honor to inform
you that I have just received
an Official Memorandum from
the Collector of Salem, stating the
refuse had been made to Govern-
ment by him, as to the retention
of my services in his District. -

I am fully aware of the
circumstances under which his
refuse ~~has~~ to Government has
been made. - I therefore request
you will be good enough to cause
a stay of proceedings in the matter
until my refuse shall have been

and placed before the Government
for their consideration:— being
perfectly prepared, satisfactorily to
refute such and every allegation
made against me. —

I would beg further to add,
that the Collector has acted under
apparent misrepresentations made
to him; and without giving me
the opportunity of defending myself;
or even calling up — me for an
explanation: wh. by opportunity
had it been afforded me,
would certainly have rendered
this reference to Government
unnecessary. —

I propose bringing
this matter before a Court
of Civil Jurisdiction.

I have
Yours truly
H. V.
