that the Assistant Engineer

states that "the children

the works of the Confwar and

been paid the 3 pie
allowance. There are at present
employed upon the works
but 3943 children aged
from 3 to 7 years; these are
paid at the rate of 6 pie

6 (4 3/4 annas of boiled rice)
issued daily to each child.
Some of those employed as
too young or furnished
work.

I should add that Dr.

that

that I had promised
have the order enforced as
