GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

15th May 1877, No. 679.

Vaccination.

Read the following paper:—

No. 45. From ARTHUR HOWELL, Esq., Officiating Secretary to the Government of India, Home Department (Medical), to the Officiating Chief Secretary to Government, dated Simla, 1st May 1877, No. 289.

Attention has recently been drawn to the fact that in the Madras Presidency certain subordinate officers for whom pay at Rupees 70 a month was sanctioned in Financial Department Resolution, No. 431, dated 31st January 1868, are called "Superintendents of Vaccination." Some change in the designation of these officers seems necessary to prevent misunderstanding, because in Government of India G.O. in the Military Department, No. 370, dated 4th April 1867, which is founded on instructions from the Secretary of State, the designation of "Superintendents of Vaccination" has been appropriated for a class of officers of the Commissioned Medical Service.

2. I am to request therefore that some alteration in the designation of the Superintendents of Vaccination in the Madras Presidency may be adopted. In other Presidencies and Provinces officials of this class are designated Assistant or Native Superintendents of Vaccination, and either of these designations would be suitable.

No. 46. ORDER THEREON, 15th May 1877, No. 679.

The officers in question will be designated in future 1st-Class Deputy Inspectors and 2nd-Class Deputy Inspectors of Vaccination.
