REVENUE DEPARTMENT.

28th September 1877, No. 2,996.

Famine Relief.

Read the following paper :—

No. 789. From L. C. PROBYN, Esq., Accountant-General, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 17th July 1877, No. 440.

With reference to Proceedings of Government in the Revenue Department, No. 2,252, dated the 7th instant, I have the honor respectfully to point out that I have received no instructions from the Government of India which will enable me finally to admit the charge on account of the difference in the freight of grain from Negapatam to Bangalore therein ordered to be made good to the South Indian Railway, and to request therefore that that Government may be addressed on the subject in view to the necessary orders being issued for my guidance.

2. Meanwhile the Consulting Engineer for Railways has been asked to arrange for the Agent of the Company sending in a bill which on the present order of Government will be authorized for payment after countersignature by either the former officer or the Examiner of Guaranteed Railway Accounts whichever may be considered in the best position to check the accuracy of the charges.

No. 790. ORDER THEREON, 28th September 1877, No. 2,996.

Miscellaneous.

THE suggestion made by the Accountant-General will be adopted and the sanction of the Government of India

to the charges incurred under G.O., 7th March 1877, No. 793, will be sought.

2. It is observed that the bill ordered for payment in G.O., 7th July 1877, No. 2,252, was forwarded by the Consulting Engineer for Railways who may be presumed to have scrutinized it, but to meet any technical difficulty which may arise in the matter the course suggested by the Accountant-General in paragraph 2 of his letter may be adopted, the countersignature of the Examiner of Guaranteed Railway Accounts being obtained.
