From The ACCOUNTANT GENERAL
to the GOVERNMENT of MADRAS,

To The Chief Secretary
to Government.

Sir,

With reference to G.O. Oct 1889 dated 4th April 77 R.D., I have the honor respectfully to point out that it is understood from the correspondence which has passed that it is the desire of the Government that all European and East Indian Deputy Collectors of the 3rd and 4th classes should in future receive a Travelling allowance of Rs 3 per diem instead of Rs 2 per diem only, which latter rate is only to be allowed to Native Deputy Collectors of those classes.

There has been no special sanction of the Government of India to this change of rule, and although in a special instance that Government upheld orders which had been previously passed it does not in my opinion do away with the necessity of reporting to them any general alterations which have been made. His Grace the Governor in Council is aware that a

compilation of the existing rules regarding Travelling allowance has been prepared as a draft Travelling allowance Code, and, if for no other reason, the communication of the rule above referred to to the Government of India is necessary in view to its incorporation in that compilation.
