Read the following paper:—

No. 839. Proceedings of the Board of Revenue, dated 6th September 1877.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 24th August 1877, No. 464.

With reference to paragraph 10 of Board's Proceedings, No. 3,385, dated 20th July 1877, I have the honor to state that the low rate of wages paid in parts of Jammalamadugu Taluq were not paid according to the lower scale as the Board supposed.

2. The cause of low wages is attributable to the deduction of the value of condiments in proportion to the task-work exacted.

3. The Tahsildar reports that the prices which then prevailed were for rice $3\frac{1}{2}$, for ragi 5, and for cholam $4\frac{1}{2}$ measures per rupee.

The wages to which the Board referred were men 1 anna 6 pies, women 3 pies and boys 9 pies, taking the cheapest grain according to the market measures per rupee.

about half the money portion of their wage. Great restrictions have been put on fining in Board's Proceedings, dated 21st February 1877, No. 766, and it is advisable that the Collector should satisfy himself that fining has not been carried too far. The low rates commented on have prevailed for some time past in the Jammalamadugu Taluq, and there has also been a multiplicity of rates in that taluq from which facts the Board fear that orders regarding wages have not been attended to.
