Camp at Jamalaba

When the Post left and the Cologne Parks were handed over to the 2 Co's. I made a tour of the Horse Artillery Camp, inspecting the Breaking up of the Jamalaba Relief Camp and the transfer of the people and stores to Pallampatta or Kandal

3 The Senior Surgeon objected to this on the ground that Jamalaba was a place healthy for Europeans and unhealthy for natives and there was no object in the removal of the Camp. I was unable to see that the Cologne Parks were more healthy than Pallampatta or Kandal

4 I subsequently wrote pointing out that the Civil Apothecary would not be returned to Work after the proposed Custom arrangements by which I thought that one Dresser and Assistant Surgeon Hannay Land Medical might be able to look after the four camps of Siddhout, Jamalaba Pallampatt, Kandal and Coldstream I knew wanted the services of the Head Assistant but as we were working short of Europeans I thought the
