*Proceedings of the Madras Government, Public Department,
30th December 1876. No. 1452.*

Administration Report.

No. 57. *Read the following Proceedings of Government in the Revenue Department,
dated 19th December 1876, No. 3106:—*

Read the following Proceedings of the Board of Revenue, dated 12th
December 1876, No. 10,944 (Mis.), on letter from the Superintendent of
Government Farms, dated 30th November 1876, No. 1.

With reference to clause 2, paragraph 3 of G.O., No. 995, of the 4th of
September last, I have the honor to point out that the appendix statements that
usually accompany my annual report possess no public interest. One printed
copy would be required to submit with the report, and I would like to get a
few copies for departmental use, but for these purposes a dozen printed copies
would suffice. If the Board agree with me in this, I shall feel much obliged for
early orders, as the appendices are now being printed.

2. I should observe that none of the statements which appear in the appendix
have been called for by Government, excepting that showing the valuation of assets
of the Experimental Farm. The financial statements are merely copies of those
submitted to the Board after the close of each year.

Submitted for the orders of Government, with reference to paragraph 3, G.O.,
dated 4th September 1876, No. 995, Public Department.

2. The Board are of opinion that the statements of rainfall, receipts and
expenditure, and valuation of stock should be retained. The lists of seeds supplied,
tools and books are of no public interest and may be dispensed with. Mr.
Robertson's proposal to strike off a dozen copies of the appendices will not effect
any material saving, as the chief cost of printing consists in setting up the type.

(A true Copy and Extract.)

(Signed) C. A. GALTON,
Acting Sub-Secretary.

ORDER.—Communicated to the Public Department, with reference to G.O.
in that Department, dated 4th September 1876, No. 995.

(True Extract.)

Acting Under Secy. to Govt.

No. 58. ORDER THEREON, 30th December 1876, No. 1452.

The Board's view is approved.
