Financial Resolution, No. 3137, dated 21st December 1875, ruling that the limitation of five years as the period within which a progressive pay should rise from its minimum to its maximum shall not apply, in the case of a department divided into grades or classes, to any officer who was already a member of the department on the 27th October 1875.

Letter from the Accountant-General, Madras, No. 10093 (Audit), dated 17th January 1877, inquiring what interpretation he is to place on the term "department" used in the Order of 21st December 1875.

RESOLUTION.—A department divided into grades or classes, within the meaning of the Resolution of the 21st December 1875, is that portion of any department which is divided into grades or classes, and does not include any branch which is not so divided. It does not include office establishments or any establishments the members of which are not gazetted, *i.e.*, do not receive their appointments direct from the Government.

Office Memorandum from E. J. SINKINSON, Esq., Officiating Under Secretary to the Government of India, Financial Department, to Colonel H. K. BURNE, C.B., Secretary to the Government of India, Military Department, dated Fort William, the 31st March 1877, No. 1795.

In reply to office memorandum, No. 428 (*Establishments—Departmental*), dated 8th March 1877, the undersigned is directed to say that the orders in the Resolution of the Financial Department, No. 3137, dated 21st December 1875, were not intended to apply to office establishments which are not in any sense "Departments divided into grades or classes." According, therefore, to the ruling contained in Financial Resolution, No. 4218, dated 27th October 1875, a member of an office establishment promoted after the 27th October 1875, from one class to another of which the pay is progressive on a scale which would admit of the maximum being earned in less than five years, is entitled to annual increment of pay of not less than $\frac{1}{4}$ of the difference between the minimum and maximum pay of the appointment.

2. The undersigned is, however, to say that payments already made with reference to the orders of the 21st December 1875, need not be recovered, but the rule of the 27th October 1875 must be enforced in future.
