B.P. No.		Mis.
Dated	30. 5. 1877	197 .

Not to be folded or roughly handled.

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 15th May 1877.

From,

Road the following
No. 23

Board's
G.R. 2
5188.

P. Soolbaker

Tahsildar of Prodatpur

To.

A. Weekes Esquire

Divisional Relief Officer - Madras

Sir,

I beg to bring to your notice
that I examined in the last week the
coolies in Goddaden, Chintakunta,
Khor, Madoor, Prodatpur, Chagala,
Mari Road, Chinnasettipalli Kunta,
Kallor channel and did not observe
any visible change in their physical
condition owing to the reduction of wages.
The value of 1st of rice together with
the money paid will fetch them in the
market ragi grain of 2th and
consequently

consequently they are able to
secure nearly their usual meals
daily

Tahsildar's office
Prodatoor
10th April 1877

I have &c
/s/ P. Subbaba Row.
Tahsildar

True copy

To the Acting Collector of Cuddapah

The undersigned can corroborate
the Tahsildar's remarks as to the last
two weeks. The Katoor Channel
coolies are quite plump.

Prinimalam adiga
24th April 1877

/s/ A. Kristnakon
Ag. Dy. Collector.
for Relief Officer

(True copy)

Extra No. 992.

Forwarded for the information of the Board
of

of Revenue. Rice is in Prodatoor
5 Cuddapah measures for the Rupee
and Ragi from 6 to 6½. The few
coolies whom I have seen working
on the Relief Camp here were in
fair condition.

Cuddapah
Collector's office
Camp Prodatoor
of 28th April 1877.
Camp Pulivendala
8th May 1877

/s/ Frederick Price
Acting Collector

Submitted for the information of Govt.
2. the whole wage to a man will, at
the prices given, purchase more than
2 lbs of ragi. So this no doubt the good
condition of the coolies is due.
/True copies & by hand
