GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

2nd October 1877, No. 3,065.

Read the following paper:—

No. 30. Proceedings of the Board of Revenue, dated 22nd September 1877, No. 4,444.

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 6th September 1877, No. 253.

With reference to the Board's Proceedings, No. 4,022, dated 29th ultimo, have the honor to report that the first intimation of the breach of the Veyasarpady Tank was sent to the District Engineer, as the residence of the Range Officer was not known. Both officers hold their office in the same building.

2. The Standing Order referred to seems more applicable to mofussil districts than to Madras, where the residences of subordinates are not always known.

THE Board consider that as the duties of the two departments may at any time render prompt communication necessary in the public interests, Department Public Works and Revenue Officers should have means of communicating without delay, and the Collector will be good enough to make such arrangement for the purpose as may be necessary with the District Engineer.
