GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

2nd October 1877, No. 3,071.

Read the following paper:—

No. 43. Proceedings of the Board of Revenue, dated 28th September 1877, No. 4,556.

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Pereacolum, 19th September 1877, No. 637.

I HAVE the honor to state that temporary Salt Police Guards are entertained for six months in the year during the manufacturing season in this district. In

1. Vysavanadapatam.
2. Autenkarai.
3. Morekolom.

this year the quantity of salt to be manufactured according to dittam in the three stations noted in the margin has not been made within the time owing to

unusually heavy winds on the coast and the intermittent fall of showers of rain during the progress of the manufacture. The guards have, therefore, to be retained for a longer period in these stations. The Superintendent of Police requires sanction for retaining them for this additional time. The six months referred to expires on the 21st instant, and the guards are required until the 15th November when the manufacture will be completed. I therefore request that the early sanction of Government may be obtained for the retention of the guards until that time.
