GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

4th October 1877, No. 3,079.

Read the following paper:—

No. 59. Proceedings of the Board of Revenue, dated 17th September 1877, No. 4,352.

Read the following letter from W. J. TATE, Esq., Assistant Collector in charge, to W. S. FOSTER, Esq., Collector of the Godavery District, dated Ellore, 6th August 1877, No. 216:—

I HAVE the honor to inform you that the Deputy Tahsildar's Office and the Police Station at Potaveram have been kept in a private building belonging to Muchnapalli Subbaya, and that a rent of 6 Rupees a-month is being paid for them for the last five years. The owner has asked me to have this building vacated for his use by removing the office and the station to some other place. I tried to get another suitable building in the village, but could not any. The Deputy Tahsildar was directed to see if a building for the purpose could be had either in Lakkavaram or Yernagudem for temporary location of the office pending the erection of a new cutcherry. He writes to me that none could be had in either place, and that the owner of the building in which the office is now kept has agreed to give his house for a year, but for only a year longer. It will thus be seen that if the erection of the new cutcherry does not take place within the year for which the present building can be had, much inconvenience and expense will be the result in the way of providing the Deputy Tahsildar suitable temporary accommodation for (1) Cutcherry, (2) Police Station, (3) Subsidiary Jail. I therefore request that steps may be taken for the speedy building of the cutcherry according to the standard plan for Deputy Tahsildar's office, or that you will ask Government to sanction some building or other in a cheaper place.

ENCLOSURE No. 1

From Major J. BEATTY, R.E., Officiating Superintending Engineer, to W. S. FOSTER, Esq., Collector of the Godavery District, dated Dowhaishweram, 28th August 1877, No. 1,736.

WITH reference to your endorsement, No. 142, of 17th August 1877, on the copy of Assistant Collector's letter, No. 216, of 6th idem, I have the honor to inform you that no allotment has been provided in the current year's Provincial Budget for building the Deputy Tahsildar's Cutcherry at Potaveram, and I therefore request you will be good enough to move Government for an allotment of funds, as without it the work cannot be put in hand.
