GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

8th October 1877, No. 3,086.

Read the following paper:—

No. 73. Proceedings of the Board of Revenue, dated 1st October 1877, Miscellaneous No. 13,504.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 21st September 1877, No. 819.

With reference to the Miscellaneous Proceedings of the Board, No. 12,837, of the 17th instant, I have the honor to report that, in my opinion, the best course to adopt for procuring the articles entered in my Indent will be to write direct to Messrs. R. H. Allen & Co., Seed Merchants and Implement Manufacturers, 189 and 191, Water Street, New York.

2. The seeds, of course, could not now reach India in time for sowing during the approaching season, but if they came to hand in March or April, some could be sown as summer crops, and the remainder could be sown in the following cold season. But Messrs. Allen & Co. should be particularly requested to forward seed of the *last* harvest and *not* to pack the seed in hermetically sealed tin cases, but in sacks or paper bags in ordinary dealwood cases. I enclose a copy of a letter to my address from the Agent of the Tudor Company, Madras, from which it will be seen that a ship is expected to leave Boston for Madras either in November or December.

ENCLOSURE No. 1.

From the Agent of the Tudor Company, Madras, to W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, dated 20th September 1877.

In reply to your favor, No. 816, of 20th September, a ship will probably leave Boston for Madras during the month of December, possibly November, to arrive here about April 1st, 1878. I regret to say that our Company have invariably declined to act as Agents for the purchase of goods. Application for freight by Ice ships should be made by your Agents to the Tudor Company, Boston.

SUBMITTED to Government with reference to G.O., dated 4th September 1877, No. 2,642.

2. The Board think that the Superintendent should be authorised to make the necessary purchase in America himself, and would solicit early orders.
