GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th October 1877, No. 3,094.

Read the following paper:—

No. 95. From Surgeon-Major G. BIDIE, M.B., Superintendent, Government Central Museum, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, Fort St. George, dated Madras, 4th October 1877, No. 260.

With reference to G.O., No. 2,496, of 13th August 1877, I have the honor to forward, herewith, three tin-lined cases containing a collection of 33 specimens of the dye-stuffs of Southern India to be forwarded to Her Majesty's Secretary of State for India.

2. The specimens are in such quantities as will permit of their being practically tested, and have been carefully packed in bags or tins. Each package bears a number, and a reference to attached list, which gives corresponding numbers, will show the nature of the contents.

3. There are a few articles which I have not been able to procure at present, but which will be forwarded as soon as they can be got.

4. A descriptive catalogue is in course of preparation, and will be forwarded hereafter. The information demanded in G.O., No. 895, of 9th June 1875, is of a kind and extent which would require years instead of months to accumulate, but I have asked the Board of Revenue for any information which they may be able to supply.
