From,

The Hy. Commissioner
Nilgiris

To,

J. H. Garstin Esqr.
Additional Secretary to Government
Revenue Department
Fort St. George.

Sir,

With reference to your telegram of this date I have the honor to report that on receipt of the Government Order of 31st March 77 No. 1117 directing the return to their villages of unemployed Mysore Coolies in this District, I sent a circular to all planters calling for a return of such persons resident on their Estates as the replies came in slowly I on the 19th Ultimo addressed the Deputy Commissioner of the Mysore Division stating that a nominal roll of Coolies was being prepared, and that to save time it would be better for him to at once depute an Officer to Gudalur to take charge of the Coolies from the Valley. [illegible] a copy of my letter and of the reply I received thereto is enclosed. From the latter it will be seen that

that the Deputy Commissioner of Mysore declined to send any Officer of the Mysore Government to take charge of the Coolies, when collected and asked me to send them to the Frontier and to give him timely notice of the Number. On receipt of his letter I sent the Gudalur Deputy Tahsildar to the Valley to prepare a Nominal roll of such Coolies and to warn them to be in readiness to move. I am to meet him at Neddivattum tomorrow to get the detailed list and to make arrangements for their march to the Frontier and on my return here on Saturday I am to telegraph to the Deputy Commissioner Mysore Division to send his Officer to the Frontier.

2. Had the Deputy Commissioner of Mysore followed the course pursued by the Commissioner of Nundidroog in sending his Officer to the Bellary District and deputed an Officer to Gudalur the Coolies would ere this have left the Valley. But as he objected to do so, there has necessarily been delay in completing the arrangements as the Coolies arrival on the Frontier must be timed to correspond with the arrival of the Mysore Officer to take charge of them; and the latter has to be informed of the Number of people he will have to provide for.
