Madras.

Sir.

I have the honor to request
that you will be so good as to
inform me, if it is necessary in
entering particulars of each work.

in the statement of Particulars
of Famine expenditure attached
to Accountant General's audit
rules, to show particulars of
repairs to each petty well one
which only a few rupees have
been expended. I ask this infor-
mation as several wells have
been cleaned out in the taluqs,
which in some cases have cost
no more than 2 Rupees each.
It seems to me that such
petty works the cost of which
do not exceed Rs 50 each might
be shown in a lump sum as
minor

minor works (Repair of wells).

I have &c.

(sd) J. W. Johnston
Caddisbah Collector } Spl Dy. Collector
Office 10th May 1877 } for Dy Collector

The statements of particulars
of outlays in question are to be
retained in the Board's office
and are required to enable
them to check bills for works
and completion certificates
received. These Documents
will be sent to the Board only
for works costing above Rs 2000,
and it will suffice if for =

particulars of outlay on such works are entered in the statement annexed to the monthly abstract bills, all others being lumped together under the head minor works. In the case of works not completed and on which not more than Rs 2000 have been spent, the amount of the Estimate should determine whether the work should be shown separately or not; and works estimated to cost less, but actually costing more than Rs 2000, should be shown separately in the first bill

3104/3

Submitted after the excess outlay is incurred, a note being added of the amount included on account of it under minor works in previous bills.
