The order expressed

should now be cancelled
in my opinion. It was
given at the crest
land transfer to Government
for public purposes. It will
be true 1800 & takes up
to now on 24th.
I consider that the refusal
in the case of land assigned
for public purposes that for many
income to the Municipality is
wrong in principle. It is right
to the numerous custom of the
country & opposed to legislative
practice. The very class of "Municipal"
