No. 454.

From

The Acting Head Asst. Collector
of Maddurah

To

The Acting Collector
of Maddurah

Sir,

I have the honor to sub-
mit my weekly report
on the condition of Relief
works in my Division for
the week ending this 1st instant.
2. I have been engaged

in January and
the week and have not
been able to inspect any
gangs personally. There
are none within 20 miles
of this place. Mr. West,
however, has kindly inform-
ed me of the results of his
inspection on the 4th inst.
of some 1600 cookies at
the Cheyenne embarkments.
His wares have been those
of Scale 2 in the G. O. for
some six weeks now. He
says "I found their condition

as when you
last inspected them in ³¹¹⁰2
my company. The notes
you then took" (vide my letter
no. 346 dated 10 April 1877)
of the number of ill condition-
ed persons in each gang
will represent the result now.
I do not perceive any
deterioration, but at the
same time I cannot
testify to any marked
improvement in the
physical condition of
the adults. The children
however seem generally

have derived ^{from} ~~from~~ the higher wages they receive under the revised, scale" Mr West further attributes the absence of any improvement to an increase of work now exacted as the left of earth ^{top of the} ~~to the~~ embankment has increased.

3. The Sidhant Taksildar reports that he thinks the Cooks on the Langat Road, the Wontimettah Road, the only one under his charge, are falling off

in com ³¹¹³ ~~from~~ the Pullumpet Taksildar has not reported 4. I am going to Gangaperur tomorrow and thence to Malinempatnam and I hope during this week to inspect and report on the condition of the Cooks alluded to by the Sidhant Taksildar on the Wontimettah
