Transfer of Villages.

Read the following paper:—

No. 227. *From the District Magistrate, Ganjam, to the Officiating Chief Secretary to Government, dated Chatterpore, 5th May 1877, No. 1658.*

I have the honor to forward, herewith, an extract from a letter from my Special Assistant, dated the 24th April last, No. 89,

1. Pungali.
2. Valingia.
3. Olingia.

recommending the transfer of the marginally-noted three villages of the Durgaprasad Mutah in Gumsur Taluq, with their

dependent hamlets, from the criminal jurisdiction of the Gumsur 2nd-Class Magistrate to that of the Oodiagery Magistrate. I concur with the Special Assistant in his reasons for the proposed transfer, and recommend, under Section 39 of the Code of Criminal Procedure, that the said proposal may meet with the favorable consideration of Government.

ENCLOSURE No. 1.

EXTRACT from the Special Assistant Agent's letter to the Agent to the Governor of Fort St. George in Ganjam, dated Oodiagery, 24th April 1877, No. 89.

I have the honor to bring to your notice that the villages named in the margin and the hamlets subordinate to them being in the

- Pungali.
- Valingia.
- Olingia.

Durgaprasad Revenue Mutah are under the criminal jurisdiction of the 2nd-Class Magistrate of Gumsur and are supposed to be looked

after by the Police of Majugudu Station, from twelve to sixteen miles off. As you are aware, they are situated in a valley half-way up the Kalingia Ghaut in a climate dreaded by low-country Constables. The consequence is they are not looked after at all, and the inhabitants have become most independent and insubordinate, and nothing is reported. They are well within reach of the Police Stations of Oodiagery and Passera, and Maliah Constables on beat continually pass through them but are powerless. I beg therefore strongly to recommend that these three villages with their hamlets be transferred to the criminal charge of the Oodiagery Magistrate.

No. 228. ORDER THEREON, 28th May 1877, No. 1315.

The transfers recommended are approved and sanctioned; but if the changes do not affect any divisional limits, they are within the District Magistrate's competency under Section 49 of the Code of Criminal Procedure.
