PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 25 May 1877.

S. N. 266
W. 1453. Read the following

From, The Collector of Salem
To, The Secretary to the Board of Revenue
Madras.

Sir,
In reference to Board's Proceedings
No. 2095, dated 7. District, I have the
honor to report that the road connecting
the Saranungalam and Mecheri roads
via Salasampathy and Amaragundi has
been finished so far as earth and gravel
work is concerned and has cost Rs 41 84
as shown in the Relief Reports already sub-
mitted to the Board of Revenue. But to make
the road easy and passable throughout, it
is necessary to construct tunnels for which
the estimate marked B for Rs 646 was prepared
and submitted, which the Board have now
returned without sanctioning; but as the addi-
tional work as detailed in the above estimate
is necessary to complete the road and secure
it against injuries by floods, I have the
honor

honor to submit to the estimate and
request that the Board will be pleased
to sanction the whole of the sum of \$
4,800. The construction of the tunnels
in question has not been undertaken
as yet, but will be put in hand on receipt
of the sanction of the Board now
applied for.
