GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

8th November 1877, No. 3,218.

Read the following paper:—

No. 79. From C. E. BERNARD, Esq., C.S.I., Additional Secretary to the Government of India, Public Works Department, (Famine,) to J. H. GARSTIN, Esq., Additional Secretary to the Government of Madras, Revenue (Famine) Department, dated Simla, 22nd October 1877, No. 966.

The Chief Commissioner of Mysore having found it necessary to retain the services of Captain R. M. Clerk, of the Coorg Revenue Survey, on famine duty in Mysore, and having requested another officer from the Madras Survey Department to carry on the survey work in Coorg after the recess is over, I am directed to inquire whether His Excellency the Governor in Council can comply with the Chief Commissioner's request, and if so, on what date the services of the officer are likely to be available.

Copies enclosed.

ENCLOSURE No. 1.

From A. WINGATE Esq., Additional Secretary to the Chief Commissioner of Mysore and Coorg, to C. E. BERNARD, Esq., C. S. I., Additional Secretary to the Government of India, Department of Revenue, Agriculture and Commerce, dated Bangalore, 24th September 1877, No. 206.

With reference to the correspondence (being with your No. 608, dated 16th July 1877,) regarding the deputation of Captain Clerk to famine relief work for three months, I am desired to request that his services may be continued to be employed in this department. He is at present in charge of part of the Hassan District, and has become acquainted with the relief camps and works and the requirements of the country, and if he were removed it would be necessary to send a new officer in his place, who would have to acquire local knowledge afresh.

2. At the same time, Mr. Saunders is of opinion that there is no reason why the Coorg survey should be stopped, and the Survey Party remain unutilised; and he thinks it would be advisable that the Madras Survey should, if possible, send another officer to take Captain Clerk's place and carry on the work after the recess.

ENCLOSURE No. 2.

From C. E. BERNARD, Esq., C.S.I., Additional Secretary to the Government of India, Public Works Department, (Famine,) to the Chief Commissioner of Mysore, dated Simla, 22nd October 1877, No. 958.

In reply to your letter, No. 206, dated the ultimo, I am directed to state that His Excellency the Governor-General in Council has been pleased to sanction the continued employment of Captain R. M. Clerk, of the Coorg Revenue Survey, on famine duty in the Hassan District.

2. As regards the survey work in Coorg I am to say that the Madras Government have been asked whether they can spare another officer to take Captain Clerk's place and carry on the work after the recess; but the Governor-General in Council has little hope of the Madras Government being able to spare an officer at present, as they are utilising the services of all their survey officers on famine duty.
