To the Secretary to the Board of Rev.
Madras

Sir, I have the honor to make
our estimate for Rupees 3000
(in two parts) for the construction
of a road connecting the
Paramathy and Trichengode
road with the Trichengode-
Namakkal road via Tirukalai.
Part I shows work already
executed at the time of
preparation of the estimate
and Part II that, which

which yet remains to be
done. The road was put in
hands when the relief
operations were commenced
in the district and Rupees
2910 have now been spent
on it. The road is a useful
one, as it taps a number
of rich villages situated
between the two roads
mentioned above and
has provided employment
in a locality where
distress is severe and labour
much wanted.
