GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

10th November. No. 3,233.

Read the following paper:—

No. 110. Proceedings of the Board of Revenue, dated 6th November 1877, Miscellaneous No. 15,452.

Read the following letter from W. COMYN, Esq., Acting Collector of South Canara, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Betthangady, 15th October 1877, No. 1,717.

I HAVE the honor to request that the Government will be pleased to move the Government to exempt the two individuals named in the margin from the operation of the Uncovenanted Civil Service Examination Rules under which they are disqualified to hold the posts to which I have been obliged to appoint them to meet the exigencies of the Public Service in organising the new Sea Customs Establishment sanctioned in G.O., No. 2,562, Revenue Department, dated 23rd August 1877.

1. O. Annappa's service is 18 years as a Surveyor on Rupees 70 per mensem on the abolition of which in the latter year his services in connection with the survey, he was employed from 1865 to 1870 as a temporary Survey Establishment, was, in consideration of his valuable services, appointed to a post of Rupees 25 in this Establishment, and exempted by Government from passing the General Test Examination, so far as that appointment was concerned. He was subsequently promoted to the post of Superintendent of the District Press, the duties of which he discharged efficiently for the space of 2½ years, when he was again transferred to a post of 25 Rupees to make room for a professional man selected at the suggestion of Mr. Keys, Superintendent of the Government Press on the occasion of his inspection of District Presses by Order of Government.

2. O. Annappa's service is 18 years as a Surveyor on Rupees 70 per mensem on the abolition of which in the latter year his services in connection with the survey, he was employed from 1865 to 1870 as a temporary Survey Establishment, was, in consideration of his valuable services, appointed to a post of Rupees 25 in this Establishment, and exempted by Government from passing the General Test Examination, so far as that appointment was concerned. He was subsequently promoted to the post of Superintendent of the District Press, the duties of which he discharged efficiently for the space of 2½ years, when he was again transferred to a post of 25 Rupees to make room for a professional man selected at the suggestion of Mr. Keys, Superintendent of the Government Press on the occasion of his inspection of District Presses by Order of Government.

G.O., 23rd June 1870, No. 933, and 29th August 1870, No. 1,342, Revenue Department.

3. Annappa has since been employed in his present post of Head Clerk in the Sea Custom-house at Mangalore (Rupees 40) for upwards of four years, during which period he has continued to give entire satisfaction, and has been most useful in this the most heavily worked Customs office in the district.

4. The salary of his post has now been raised to Rupees 40 in the revised scale of establishment, and his retention therein would appear to require the sanction of Government under the terms of G.O., dated 15th September 1873, No. 989, Revenue Department.

5. It being very desirable to secure the services of experienced men on the introduction of the Excise Act, and O. Annappa well deserving the increase to his salary, I have retained him as Head Clerk in anticipation of the sanction of Government.

6. Thomas D'Lang has passed the General Test Examination, and has been employed as Salt Superintendent at Moolkyor 7 years and 7 months on a salary of Rupees 30 per mensem. He is a servant of 13 years' standing in the Revenue Department, and 11 years elsewhere and I am told has always borne a good character.

7. It being necessary to appoint men of proved honesty and experience to the office of Superintendent at the more important ports where there will be great temptations under the excise system, I have selected Thomas D'Lang as the best man available for the Superintendentship at Malpe. The salary of the post is Rs. 50, and though he is not qualified for a post of 50 Rupees or upwards per mensem under the Examination Rules (Revenue General Tests), I request the sanction of Government for his exemption as he is fully competent to discharge the duties, and is deserving of the indulgence.

SUBMITTED for the favorable consideration of Government.

2. The Board support the Collector's recommendation.
