GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

31st May 1877, No. 1619.

Sanitary.

Read the following paper :—

No. 291. *From L. R. BURROWS, Esq., Acting President of the Municipal Commission, Madras, to the Officiating Chief Secretary to Government, dated 23rd May 1877, G. No. 219.*

I have the honor to forward the weekly report of the water level in eight wells in the Municipality. With one exception the level was higher in all the wells on the 19th instant than it was on the 27th March, and it is likely to rise still higher owing to the copious rainfall of last week. I request that Government will be pleased to state whether it will be necessary to continue taking these measurements after the 26th instant.
