No. 116. Proceedings of the Board of Revenue, dated 22nd October 1877, No. 4,802.

Read the following letter from R. J. MELVILLE, Esq., Collector of Madras, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 9th October 1877, No. 278.

I HAVE the honor to report, for the information of Government, that three bungalows, with their compounds, in the division of Mylapur had to be acquired on account of the Junction Canal, and that, with the exception of the land actually taken out of them for the line of the canal, they were resold, as usual in similar instances, at public auction through Messrs. Franck & Co.

2. Enclosed is a statement showing the value paid by Government for the three properties, the extent of land actually taken for the canal, the portion which was sold, and the price obtained at the sale.

3. It will be seen that the three properties were originally purchased for Rupees 52,800-10-5. Deducting the 15 per cent. allowed under Section 42 of the Act on account of forcible dispossession and the value of the land taken for the canal, thus causing a loss to Government of Rupees 25,364-9-10. Out of the sale-proceeds Rupees 644-6-4 have been paid to Messrs. Franck & Co. as commission. The remaining sum of Rupees 15,105-9-8 has been credited to Government.
