No. 122 Despatch from the Most Honorable the Secretary of State for India,
Revenue, INDIA OFFICE,
No. 19. LONDON, 11th October 1877.

MY LORD DUKE,—The Despatch of your Excellency in Council, dated 14th August, No. 9 of 1877, relative to the assessment to be imposed on certain villages of the Sydapet Taluq, which are likely to be hereafter brought under the benefits of an extended irrigation, has been considered by me in Council.

2. I fully approve of the course recommended by the Board of Revenue, and supported by your Grace in Council, that the proposals of Mr. Banbury, raising the assessment to Rs. 3-5-5 per acre, be sanctioned in preference to those of Mr. Puckle, by which the rate would be fixed at Rs. 4-12-8 per acre.

3. I also approve of the proposal to assign to the Settlement Department the duty of reserving the rights of Government to modify, during the currency of a settlement, the wet rates on lands in which the means of irrigation are considerably enhanced. Any other course would involve injustice either to the ryot or the Government.

I have &c.,
