REVENUE DEPARTMENT.

Read the following paper :—

No. 177. Proceedings of the Board of Revenue, dated 14th November 1877,
No. 4,994.

Read letter from the Collector of Malabar, dated 5th November 1877,
No. 243.

Read telegram from the Collector of Malabar, dated 13th November 1877.

Read letter from the Master Attendant, Madras, dated 13th November 1877,
No. 7,935.

SUBMITTED for the orders of Government in continuation of Board's Proceedings, dated 13th instant, No. 4,990.

2. The Board learn from the Master Attendant demi-officially that any repairs to the *Margaret Northcote* which may be emergently required can be executed at Tuticorin; and, as it is necessary that final orders should be passed without delay, they request that the Master Attendant, Madras, may be authorized to engage a commander and crew forthwith. The Board do not think that the Resolution of the Government of India referred to precludes the transfer of Mr. Smyth on temporary duty, but it seems that Mr. Richards is available and can join at once. Time will be saved if the crew be sent to Beypore by rail, the vessel being taken round to Calicut by Captain Phipps.

3. The Board approve Mr. Logan's proposal to allow Mr. Winterbotham to take a friend with him, and request the orders of Government in the matter of the Malayalam Translator's work.

ENCLOSURE No. 1.

From W. LOGAN, Esq., Collector of Malabar, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Calicut, 9th November 1877, No. 243.

I HAVE the honor to inform you that I propose to depute Mr. H. M. Winterbotham, my Special Assistant, to visit the Laccadive Islands this season. He will start as soon as the *Margaret Northcote* is available for the trip. I am in correspondence with the Collector of Tinnevely regarding her.

2. As Mr. Winterbotham's stay at the islands will be of longer duration than ordinarily, I have approved of his inviting some one to accompany and remain with him during the trip, and I trust that this will meet with the Board's approval.

3. Mr. Winterbotham is also Malayalam Translator to Government. He has just accomplished the difficult task of translating the Civil Procedure Code. Now that that is out of hand, I hope the Board will support me in recommending to Government that he should be allowed to retain the post during the trip. I propose that the *Northcote* should return to the coast once or perhaps twice during the period for which she has been put at my disposal, and Mr. Winterbotham could send over the translations of any Acts that may require translation during that time. As regards any miscellaneous work I could arrange for its being done in my office.

ENCLOSURE No. 3.

From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Administrative Department, Madras, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Madras, 13th November 1877, No. 7,935.

I HAVE the honor to lay before you a difficulty that has arisen about the *Margaret Northcote* and Mr. Logan's tour. Mr. Phipps evades any direct answer as to the seaworthiness of the ship; he now says that boilers and engines want overhauling more than the hull docking. This might have been done in the South Indian Railway Workshop at Tuticorin—he has had a long time to work in. It would be serious if Mr. Logan got to leeward of the coast with a vessel that cannot sail like the *Margaret Northcote*, and if she goes to Bombay, who can tell when she will be ready again—all docking operations are tedious. I can get a commander and crew down from Cocanada directly if necessary, and have wired to prepare one. But I am doubtful if any one can be appointed without reference to the Government of India.

* To be returned.

G.O., November 3rd, 1877, No. 597, which I beg to enclose. I had proposed to transfer Mr. Smyth now in charge of the *Salisbury* and *Hobart*, late Chief Officer of *Tenasserim*, who would be a suitable companion for Mr. Logan; or to get down Mr. Richards from Calcutta, also an eligible officer, now Chief Officer in British India Steam Navigation, who has offered to take charge for four months certain. If reference has to be made to Government of India, it will save complication if Mr. Richard is named. I have now wired Mr. Phipps to reply distinctly if the overhaul can be done at Tuticorin.
