Sir

Referring to Board's Proceedings

Miscellaneous No 10003 dated 18th November

1876 and their official Memo No 83 of

11th January 1877 calling on me to

report whether or not the employees

in the Revenue Department have

provided themselves with the service

books required by the Civil Pension
Code

Delivered to Mr. Stokes at 10/12

Code, I have the honor to state that almost all the superior servants in the district have provided themselves with the Service Books prescribed in Section 69 of the Code. No books have been kept by some of the inferior servants and their Service Registers are now under preparation. Strict orders have been issued to the Tahsildars by the Divisional officers for their speedy completion. It will however take some time to prepare them owing to the heavy extra work which has at present fallen upon both Muzoor and Talug Establishments.
