GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

91th November 1877, No. 3,267.

Read the following paper:—

No. 184. Proceedings of the Board of Revenue, dated 16th November 1877, No. 5,015.

Read the following letter from W. LOGAN, Esq., Collector of Malabar, to H. E. STOKES, Esq., Secretary to the Board of Revenue, Madras, dated Cocanada, 14th November 1877, No. 250.

REPLYING to paragraph 2 of Board's Proceedings, Miscellaneous No. 15,669, dated 10th November 1877, I have the honor to state that the Laccadive expedition should start as soon as possible, as there is much to be done and only a limited time to do it in.

2. I should wish to arrange that the steamer should first proceed to Kavarathi and land Mr. Winterbotham there, and then return to the coast and proceed to Bombay to refit. I fully expect that Mr. Winterbotham will find at least one month's work ready for him in Kavarathi, Agatti, and Androth, which islands are all so close together that he could without difficulty proceed from one to the other of them in the ordinary country crafts. By the time he has finished with Androth, the steamer ought to have returned from Bombay and be available for his trip to Kalpeni and Minicoy.

3. I solicit early orders as the season is fast passing away.

SUBMITTED to Government in continuation of Board's Proceedings, dated 14th November 1877, No. 4,994.

2. The Board understand from the Master Attendant that the *Margaret Northcote* can make the Laccadive trip without being previously docked.

Sub-Secretary.

No. 185. ORDER THEREON, 19th November 1877, No. 3,267.
