GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

20th November 1877, No. 3,273.

Read the following paper :—

No. 194. Proceedings of the Court of Wards, dated 9th October 1877, No. 4,677.

Read the following letter from J. G. HORSFALL, Esq., Officiating Collector of Ganjam, to C. A. GALTON, Esq., Acting Secretary to the Court of Wards, dated Aska, 13th September 1877, No. 3,043 :—

With reference to paragraph 1 of the Court's Proceedings, No. 3,375, dated the 18th December 1875, I have the honor to submit a statement showing the members of the Kimeddy Public Works establishment, who were transferred from service under Government.

2. The District Engineer has furnished this information only on the 29th ultimo after repeated reminders.

3. The case of the individual No. 1 was already disposed of and his pensionary contribution is paid* from the estate.

* G.O., No. 1,413, dated 23rd May 1873.
Court's Proceedings, No. 8,535, dated the 12th December 1873.

4. The other persons have not paid the contribution, nor have they agreed to do so in future to count their service for pension. They wish that the same may be paid from the estate. The District Engineer supports their application, and I agree with him as observed by the Court in paragraph 4 of their Proceedings, dated 17th March 1877, No. 579.

5. The District Engineer states further that he was under the impression that the Examiner of Public Works Accounts would settle the matter with the Accountant-General.

6. With regard to the last individual, C. Veeramallesalingam, the District Engineer says that he was not transferred from the Government service; that his service cannot be verified from the records of his office. From the service list rendered by the individual and entered in the statement it would appear that he was an Overseer's Writer at the time of his transfer to the estate. A copy of his petition† to the District Engineer is enclosed for reference. If the Court think it

† Dated 3rd April 1876.
desirable his service list may be verified in the office of the Examiner of Public Works Accounts. This man is at present a Local Fund Overseer on Rupees 60, and requests his services in the estate to be counted towards pension without being required to pay contribution from his pocket.

7. The District Engineer omitted his name from the list of servants furnished by him.
