GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

20th November 1877, No. 3,282.

Read the following paper :—

No. 210. Proceedings of the Board of Revenue, dated 14th November 1877.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Saidapet, 25th October 1877, No. 767.

In reply to the Board's Proceedings, Miscellaneous No. 2,373, dated the 17th February last, and their subsequent reminder,* I have the honor to observe that I recorded the same on receipt of Board's Miscellaneous Proceedings, No. 6,916, communicating G.O., Public Works Department, No. 1,129, dated 4th April 1877, in which Government accepted Colonel Moberly's explanation in the matter.

2. I can only observe now that when I made the reference I was under the impression that the Superintending Engineer, in his No. 3,649, dated 19th January last, meant to express that his permission was necessary in addition to the Board's, for the cultivation of beds of tanks, if the latter were under the direct charge of Department Public Works as is the case with Chembrumbaukum. The letter seems to me to admit of such construction, but as Colonel Moberly has distinctly denied that such was his meaning, I of course have nothing further to say.
