Famine Relief.

Read the following paper:—

No. 297. *From H. SEWELL, Esq., Acting Collector of Trichinopoly, to the Officiating Chief Secretary to Government, dated Trichinopoly, 16th May 1877, No. 53.*

Adverting to G.O., No. 1141, of the 3rd mo, I have the honor to report that the filling in of the Fort moat and raising & widening the Cauvery embankment close to Trichinopoly Town were undertaken in this district as relief-works on the 3rd of January and 5th of March last, respectively. The former was stopped on the 1st of March owing to the difficulty experienced in obtaining earth for filling in, and the latter on the 11th March because the coolies refused to work at the new rates.

2. The work actually turned out was duly measured by the Public Works Department and the unexpended portion of the amount advanced was returned to the Treasury. The bills, &c., with completion certificates have already been submitted to the Board of Revenue.

No. 298. ORDER THEREON, 31st May 1877, No. 1622.

Communicated to the Accountant-General with reference to the Government Order quoted above.
