Proceedings of the Board of Revenue, dated 29th June 1877, No. 3,082.

Read the following letter from J. G. HORSEFALL, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Cuddalore, 14th April 1877, No. 191.

In their Proceedings, dated 6th January last, No. 61, the Board observed "that, considering the near approach of the reorganization of village establishments in the South Arcot District, there is no necessity now for application being made to Government" to sanction fresh grants of

certain village officers whose Inams, though not taken up by Government, were yet unfit for cultivation from causes beyond the Inamdars' control.

As I have several similar applications for compensation pending before me, I beg that I informed whether recommendations are to be submitted to the Board on behalf of these servants, or whether they are to be told that nothing can be done to ameliorate their position pending the reorganization of the village establishments in the district.

I beg further respectfully to point out to the Board that the probability of reorganizing village establishments in this district is very remote, because the Board in their Proceedings, 24th February 1876, No. 547, ruled that village establishments cannot be finally reorganized till the new settlement is introduced, and the district has not even been demarcated yet. Their Proceedings, dated 15th February 1876, No. 444, the Board said that there was prospect of an immediate or early extension of the settlement to South Arcot, an opinion was repeated by them in their Proceedings, dated 15th July 1876, No. 1,812.

On reconsideration the Board are inclined to think that such claims should be admitted. The Collector will submit an application in the prescribed form embodying all the pending cases.

On reconsideration the Board are inclined to think that such claims should be admitted. The Collector will submit an application in the prescribed form embodying all the pending cases.
