SIR,—With reference to your letter, dated 6th October 1877, No. 6,053, I am directed to state that the publication in the *Fort St. George Gazette* of the Monthly Return of the Trade and Navigation of this Presidency under the Financial Resolution of the Government of India, No. 3,138, dated 25th October 1865, commenced in February 1867* with reference to the Order of this Government of 9th January of that year, No. 59. The return was duly published monthly until March 1875;† but from that date to the following November there was no publication owing to change in the forms of trade returns and consequent delay in the receipts of returns from the districts. In November 1875 Mr. O'Conor, who was deputed by the Government of India to inspect the compilation of trade accounts, being of opinion that the publication of the return in the *Fort St. George Gazette* was unnecessary, the Board of Revenue recommended, and the Government in March 1876 approved, the discontinuance of the publication of the statements, and the printing separately of certain others for communication to the Press and Chamber of Commerce. These statements also have recently been discontinued.
