deputation allowance being
granted to Panchavada Sygam.

2. Panchavadi Sygam has ^{criminal}
only passed the test noted in ^{Lower grade}
the margin, but having for ^{Precis. writing}
17 years been employed in the
same Court as a Gunvasthan
he has acquired a practical
knowledge of the several duties
connected with the post. In fact,
he has on several occasions
been temporarily appointed to act
as Sub. Magistrate of the
place on similar occasions.

3. I am aware that under the
rules no acting appointment,
even without pay, should be
made when an unovermanned
officer, whose pay is less than
Rs. 100 is granted leave,
but

but the isolated position of Chingul,
lying as it does, from all other
British territory on a narrow
strip of land on the coast
and situated about 20 miles
from Cochin, the Head Quarters
of the Division, and the consequent
difficulty of securing a competent
person to send there for so short
a period has necessitated the
above arrangement.

4. Under these circumstances, I
consider that the present is an ^{cases requiring exceptional}
exceptional treatment.
