Revenue,
No. 44.

INDIA OFFICE, LONDON,
7th December 1876.

MY LORD,—The despatch of your Excellency in Council, dated 26th October, No. 22 of 1876, relative to the scarcity which has arisen in the Presidency of Bombay, has been considered by me in Council.

2. I fully approve of the proceedings which form the subject of report, and I concur in the commendation bestowed upon the Government of Bombay and its officers for the promptitude and care with which they are dealing with this emergency; I also recognise and am grateful for the excellent spirit which has been evinced by the more wealthy and influential members of the Native community in that Presidency.

3. It is matter for much additional anxiety that scarcity would also seem to be threatening the Kurnool, Cuddapah, and Bellary Districts of the Madras Presidency. I approve of the instructions which you have sent to the Madras Government, which appears to be acting with vigor and intelligence. I desire to have a weekly report of the progress of this calamity both in Bombay and Madras.

I have, &c.,
