Proceedings of the Board of Revenue,
Dated 15th June 1877
Read the following

MS 369

From

W. J. Whiteside Esquire

Collector of N. District.

To

M. E. Stokes Esquire

Secretary to the

Board of Revenue

Madras

Sir

The late heavy rains in the
Nellore and Chingelput Districts will,
I suppose, necessitate the early discontin-
uance of a number of Relief works in
progress there, and several overseers and
Sub overseers will, in consequence possibly
be thrown out of employment. The various

Officers

officer in charge of Relief works in
any District experience considerable
inconvenience from want of men
skilled in preparing estimates and
measuring the work performed. I
have the honor to request that the
Board will be pleased to instruct the
Collectors of Bellare and Chingleput
to send one such good man, who they
can spare. They will on arrival, be
detached for duty under the various
District Officers.

North Street, I have no
Collection Office. Mr W. S. Wharrie
Camp, Bangalore. Collector
D. H. Bellare 1877

The staff in Chingleput and
Bellare is the Board believe no more
adequate to its work than that in
North

North Street and it is unlikely that
any men can yet be spared from those
districts. Mr Wharrie's letter will however
be communicated to the Collector of the
two districts.
